FOR GOD AND COUNTRY

My dear friends Hilfe Adimaly,

Wish you merry X mas and New year. Good advent days with fruitful thoughts and good dreams. We are one in the Lord, whatever we do, where ever we go. How are you? Hope each and every members of our group keeping in good health with smiling faces always in face mask. What a wonder full year is going to complete.

We all are safe from Corona till now. There are one in Ten People covid positive in our covid lab. It is a real head ache. We have to admit covid positive cases in our hospital. Our district collector produce an order saying that we have to admit covid positive cases in free of cost. How it is possible? Any way urgently I bought one adult monitor for casualty and one neonatal monitor for delivery

room. Not paid cash till now. We have no neonatal monitor with facilities to take BP,4 limb saturation. The new one has all these features.

We got one tribal woman aged 54yrs have holy flower haemangioma in her axilla.It is infected and there is worms in the wound. Operation done in septic theater. They won't pay bill. Very poor, illiterate people in hill area. One old age man is admitted here. No relatives to take care. Parish priest brought him here with serious illness. We cannot deny them. Treated here, cured almost. No body to pay bill. These types of patients are coming daily. We will have work satisfaction when caring these type of patients.

Now we are giving free dialysis for 2 patients. Both machines working properly. Because of your kind self, we can do more to poor and needy. I have some dreams about more facilities to be provided in our hospital. I am so happy and grateful to each member of our Hilfe organization. So many mechnes are sponsored by you. I know you are not easily making money. Your hard work and good self results with kindness. I don't know how to thank each one of you. Infant Jesus May bless you and brings showers of blessings. I assure my prayers. Please convey our special regards from Adimaly Sisters Community. Once again I wish you **Merry X'mas** and **Happy New Year**.

Thanks & Regards,
Sr.Lincy CSN
