

Dear Sebastian and Friends How are you? Hope you and your friends are keeping fine. Firstly I wish advance Happy Christmas and Happy New Year. Did you start your Christmas celebration? How is everyone in your family? How are your activities? How about the situation there? Thank you so much for supporting us during these difficult times. Always Good Lord protects you and your family. We wish that everyone always stays healthy. We and our children are fine. Our school is reopened. Balabhavan also reopened. Now 20 children arrived. The rest of the kids and new will be coming soon. The children are learning well. We always remember your help. Thank you God and you for that. As you wish we need outdoor play ground equipments. And we wish one thing that is a biogas plant. We had but many time it repaired , it is not working right now. Let us send play ground equipments estimate immediately. We send our new bank account details. We faced lots of problem for it taking. I pray that all the joys of Christmas come to your life. Please pray for us and our children. Thank you so much for your help. It is with your valuable help that we have been able to grow so much. Thank you for your kind mind. We and our children always remember you in prayer. Hearty welcome you to in our place. We pray for blessing from God to in your family, activities and future plans. We hope that we will see you again.

Thank you in Jesus Christ
